

THE HAMLIN HERALD

IN 36th YEAR — EVERY WEEK SINCE 1905

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, OCTOBER 31, 1941

NUMBER 53

32,131 Bales Ginned In Jones Co. to Oct. 18th

The government releases the official report of cotton ginned up to October 18. Jones county had 32,131 bales on that date.

The next county report will be Saturday, November 1. That report will not be made known till about ten days later. Rains have stopped gathering cotton most of the time since the October 18 report was made, yet, here is a guess that the next count will show Jones County with more than 40,000 bales and perhaps 45,000 ginned. Let it be understood that not all the cotton grown in Jones county is ginned in this county and not all the cotton ginned in the county was grown in the county. There is a "cross-county" check back, but general reports are for what is ginned in the county. In most cases the balance is about even.

CHURCH OF CHRIST

Mt. 5:16 "Let your light so shine before men, that they may see your good works, and glorify your Father who art in heaven."

"Be like the sun, that pours its ray
To glad and glorify the day.
Be like the moon, that sheds its light
To bless and beautify the night.
Be like the stars, that sparkle on,
Although the sun and moon be gone.
Be like the skies, that steadfast are,
Though absent sun and moon and star."

1 Cor. 15:58, "Be ye steadfast, unmovable always abounding in the work of the Lord forasmuch as ye know that your labor is not in vain in the Lord."

Minister, Luther G. Savage

DOVIE NEWS

By Opal Parker

The League had a very interesting mission program Sunday night. The topic was Neighbors Near at Hand. Those who took part were Vada Taylor, Virginia Lee Cooley, Winnifred Pryor and Elvin Cooley. Everyone enjoyed it. Following the League program, Rev. L. K. Malone brought the message.

Mr. and Mrs. James Holden and children had dinner with Mr. and Mrs. L. B. Holden Sunday.

Mr. and Mrs. W. W. Ivey and Opal Parker visited Mr. and Mrs. Ed Bessire Sunday afternoon.

Mr. and Mrs. R. H. Cooley and family went to Trent Sunday where they spent the day with their daughter, Mr. and Mrs. Oscar Serral.

We are sorry to report this week that Miss Virginia Lee Cooley is on the sick list. We wish her a speedy recovery.

The League had a weiner roast Tuesday night. Games were played and weiners were roasted. Everyone had a nice time.

Looks like old man winter is here at last. This calls for a nice big fire and plenty of nose drops.

Mr. and Mrs. D. A. Tims will leave this week for their home in San Angelo. Mr. Tims is a Santa Fe engineer, and for many years this family lived in Hamlin before making their home in San Angelo. Last year Mr. Tims was transferred to this end of the line, and during this time he and Mrs. Tims again called Hamlin home. They have many friends here who regret to lose them from our town.

Business In Anson?

As all of us know, Jones County's administrative office, sometimes called the Court House, is being remodeled. Well, that means if you have any business with any department, just go on over there and find some key man and ask where so and so may be found. The Herald has the various places of these offices, but if one should know who is where he would likely forget it and have to ask. So ask. The most important office right now is the Tax Collector's, found in the old bank building on the corner to your right as you enter Anson from the north. Go pay your taxes, both the state and the county needs your contribution.

Garden Club Notes

Attention, club members. The next meeting of the Garden club will be Friday, November 14, 3:00 P. M., at the Harden Hotel. Each person attending is requested to bring some bulb, shrub or flower for the "Grab Box", which will be a part of the program. Visitors welcome.

Now is the time for bulb planting. Soil should be well spaded and fertilized to have best results.

November is a good time to rid beds of dead flowers, trim, and clean dead timbers from trees and shrubs, and burn to prevent spread of disease among plants.

Some spots of beauty on Central Avenue: The yard improvements at Dr. Gould's. The pyracantha at Holly Toler's, and J. W. Ezell's, one the orange color, and one red. The daisies at the corner of Mrs. H. H. Bell's. The fine "mums" in Q Martin's yard. The yellow cosmos at the Carpenter and Fletcher homes.

Now is the time to plant Larkspur, Texas Plume and poppies.

Let's make Hamlin a beauty spot.

—Reporter

METHODIST CHURCH

JAMES E. HARRELL, Pastor

Sunday School, 9:45 A. M.

Morning Worship Service, 10:50. Juniors and Intermediates, 6:45. Evening service, 7:30.

The Mission Study has been completed and the Woman's Society of Christian Service business meeting and election of officers will be held Monday afternoon at 3 P. M.

Choir practice, Tuesday night at 7 o'clock.

Mid-week prayer service Wednesday night at 7:30.

The pastor's communion message Sunday morning will be of vital interest to all who attend. Attend the evangelist services at the evening hour.

Visitors are welcome.

Perry Fite of Albany came up Tuesday to spend a few days with his daughter, Mrs. Tom Teague and family.

W. D. McMillan, of Fort Bliss, came Thursday of last week to spend a 10 day furlough with his parents, Rev. and Mrs. W. A. McMillan.

Dr. Robert Johnson, of Dallas, spent the week end here with his parents, Mr. and Mrs. W. F. Johnson.

Miss Mary Marguerite Nobles, a student in Texas Tech, and her brother, Warren Nobles, of Brownfield, spent Sunday here with their mother, Mrs. Vera Nobles.

Butchering Expert To Give A County-Wide Demonstration Nov. 6

A butchering demonstration will be held at the M. E. Hudson place located 1-2 mile west of the Y at Hamlin-Anson highway, November 6 at 1:30 P. M. Mr. Roy Snyder, meat specialist, from A. and M. College, will give the demonstration. A calf, hog, sheep, goat and chicken will be butchered. The public is urged to see the demonstration.

High quality meat with sweet, rich, full bodied flavor is always worth a premium. Good meat, of course, depends upon many factors. Thrifty, properly fattened animals, other factors that are essential are handling of animals when butchered, bled, cleaned, and chilled.

Mr. Snyder is an artist at this work and you are going to miss something if you aren't there.

The following morning, November 7th, at 9 o'clock, Mr. Snyder will demonstrate the cutting up of the carcasses.

Floyd Lynch, County Agent

SCHOOL NEWS --

(Continued From Page Three)

the sponsors of the classes on Monday, Oct. 27th.

Each class is to present a stunt in front of the pink curtain in the auditorium beginning at 9 o'clock. Money and prizes will be given for these also.

First place, \$2.50; 2nd place, \$1.

The juniors wish to thank the students in advance for their co-operation in the new idea and we hope that every one has a very enjoyable evening. We are sure that will be the case if each one does his part.

Pipers Overrun Putnam Panthers

Putnam Panthers in a bout at Hamlin. The Pied Pipers over ran the lin last Friday night. The final score gave the Pipers the advantage of 30-0.

Putnam's class B team played a good game, but they were outclassed by the Pipers' A. The first string of the Hamlin eleven began the contest and played until the first touchdown was made, when they were relieved by the second eleven. This same process was followed in the second quarter.

A spectacular play came when Gary Kelley, Hamlin half-back, brought back the kick-off to about the two yard line. In spite of the bad weather, both teams played a good game.

Rev. Crimm Appears In Assembly

On Wednesday, Oct. 22, the student body and faculty met for the purpose of hearing an interesting speech by Rev. Crimm of Marshall, Texas, who has been holding a meeting in the school building for the past two weeks.

Bro. Crimm stressed the importance of education. He urged the students to finish High school and to go further in their schooling if possible. Education obtained in practical ways and through experience was another high point in his speech. The third pinnacle of the speech was the stressing of loyalty to the school and to God.

Two regular size articles for the price of 1 plus 1c. Your chance to double the quantity at regular prices plus a few pennies. Next week, Wednesday, Thursday, Friday and Saturday, NOVEMBER 5-6-7-8th.

Sudden Death Claims M. S. Jones, Tuesday

M. S. Jones, a prominent farmer of the Neinda community, died very suddenly at his home three miles east of Neinda Tuesday morning at 6:00 o'clock. Age 55 years, 9 months and 3 days. He was born January 24, 1886, in Navarro county, Texas. He was married to Miss Jerusha Curry and the companion and two children survive, Arice Jones of Snyder and Mrs. Jay H. Fitzgerald of Hamlin. One grandchild, a son of Mr. and Mrs. Arice Jones of Snyder.

Mr. Jones was a member of the Baptist church at Neinda, and it was in that church the funeral was held Wednesday afternoon, by Rev. George Beavers.

M. S. Jones was noted for his generous friendliness, a fine type of citizen who carried on his part of every community betterment. Those who knew Mr. Jones best will long remember him for his kind smiles with which he was ever ready to greet his fellowman.

Interment was in the Neinda cemetery, in charge of the Barrow Company.

Pep Rally Held In Assembly

When the student body marched in the auditorium last Friday for a pep rally the band was on the stage playing a march. Then the yell leaders led a yell, followed by another song from the band. All joined in the school song, and Mr. Bennett gave a short speech. The yell leaders led the student body in three rahs for Mr. Bennett.

The band played a march as the students left the rally.

The students displayed more spirit and pep in this rally than in any previous one.

Glee Club Meets In Sections

To make Glee Club work more effective, Mr. Smith has changed the method of working with the choral group. Every Monday and Wednesday the boys meet separately and on Tuesday and Thursday the girls meet. Then on Friday all of them meet together. By this new method the choral group plans to improve greatly.

Ink We Splatter

Just ask Joe Ball what he thinks his future life will be. Those streaks across his glasses did look like bars but the real thing is much worse — so they say. He was just trying to get used to it; but confidentially, we think he'll have plenty of time while he's there. No reflection, Joe, Whose blue Ford was that wandering from ditch to ditch between

More Young Fish For Hamlin's New Lake

The Cisco State Fishery was represented in Hamlin Wednesday by L. A. Proctor, who came up with 3,500 young Channel Cat, from 4 inches to 7 and 9,000 Bream, size from 1 to 6 inches to grow up and nibble at hooks some day in Hamlin's New Lake. Some day, maybe if you want to fish and can buy a permit you can feel the "nibble."

BAPTIST CHURCH

Sunday School 9:45
Morning Worship 11:00
Training Union 6:30
Evening Worship 7:30
Prayer Meeting, Wed. 7:30
You will find a welcome at the Baptist Church.

There is a class for every age in Sunday School.

There is a union for every boy and girl in the Training Union.

The pastor will be in the pulpit both morning and evening. He urges every member of the church to be present. The Deacons will have their regular monthly meeting following the evening service.

H. E. East, Pastor

Mrs. W. L. Walker returned Saturday from Fort Worth where she had been for the past month visiting friends.

Mrs. Perry Sparks, Worthy Matron of Eastern Star, and Mrs. B. S. Ferguson went to Amarillo Monday to attend The Texas Grand Chapter Order of Eastern Star which convened at that place.

Mrs. Duffield Smith and son Wade who have been here visiting her parents, Mr. and Mrs. H. O. Cassle, returned Wednesday to their home in Dallas by way of Chickasha, Oklahoma, where they will visit her sister, Mrs. Harry W. Pitzer and husband. Mrs. H. O. Cassle accompanied them to Chickasha for a visit.

Hamlin and Stamford Sunday?

If you want to hear some news, just ask the seniors about their hayride. They really had some fun!

S. C. and Don Cleveland certainly would like to get better English and Spanish grades. They even make Coach think he's lost on the way from Brownwood because they want to bring Miss Blake back to Hamlin, and they used to stop with apple-polishing!

Coming to Hamlin

HARLEY SADLER

Harley Sadler and his popular stage show will be in Hamlin Wednesday, and Thursday, November 5 and 6. Their appearance will be for two nights only. They are showing under the auspices of the Fire Department. For something like twenty-five (25) years this popular stage show has been playing this section and they are always welcomed by everyone because they present clean, wholesome family entertainment, and at popular prices.

Harley announces that everything will be new for this engagement, new plays, new vaudeville, and outstanding musical presentations. "Wake Up America" is the title of our latest musical presentation, and is said to be the most elaborate and pretentious ever presented by the Sadler company. It has a patriotic motive and goes in for the George M. Cohan flag waving, but as Mr. Sadler states, "This is something that is appreciated by all during these times."

The doors are open at 7:15 P. M. The musical presentations will begin promptly at 8:10 P. M. The play and other vaudeville will follow.

Harvey Elkins Gets

A Nice Promotion

Private Harvey J. Elkins, a son of Mr. and Mrs. W. E. Elkins of Hamlin, has been promoted to corporal in the army air corps at Duncan Field, near San Antonio, according to Public Relations officer.

Corporal Elkins graduated from Hamlin High school in 1930 and enlisted in the air corps March 21, 1931. Before his enlistment, Elkins worked as a welder in a sheet metal shop. He is a member of the Third Depot Repair Squadron, one of Duncan's crack mobile units.

Elkins is taking active part in the field's athletic program.

Announcement

Hamlin Elementary P.-T. A. will meet November 6, at 3:45. Please be present. Program: "The Home in the National Picture."

Song by group.

1st. Home maker takes over, Mrs. Sam Brooks.

2nd. Some difficulties that threaten modern and family life, Mrs. Ira Clements.

Vocal solo, Mr. Clyde Smith.

Box Supper

Wise Chapel School is having a box supper this Friday night, Oct. 31st. They offer a Halloween program and fun for everyone. Everybody invited to come. Bring a box.

N. H. TOUCHSTONE, Prin.

Guests in the home of Rev. and Mrs. W. A. McMillan, Sunday, were Mr. and Mrs. C. B. Tribbey and family and Mr. and Mrs. Jim Pearce and family, of Rule; Mr. and Mrs. Johnny Whitney and family, of Breckenridge and Mr. and Mrs. Thell May and family of Anson.

THIS WEEK

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

THAT

The Only Way—

—Most Americans regret to admit it, but it appears that each week this nation drifts towards war. In America there is a deep regret. Some may not believe it, but most Americans sincerely believe the Congress and the President and the Army and the Navy have tried to maintain our self respect and rights in the world, and stay out of war. It now seems all efforts are of no avail.

—The only way, it would seem for this nation to have avoided coming into conflict with either Germany, Italy or Japan, would have been for this nation to have withdrawn every ship from every nook and corner of the oceans, abandoned every dollars worth of property and every citizen on all foreign soils; refused to have sold anything to anybody at war on either side; that we should not have increased our army or built an extra ship or tank or airplane. Maybe that would have saved us from what now seems certain war on two or three fronts.

—That ONLY way would have been the fatal way. The ONLY way to have kept our nation out of the conflict would have been the cowardly way, the way that would have led to almost slavery, to a nation that would have to beg and whine and plead for mercy at the hands of Hitler's Huns. Yes, there was a WAY, and one that a few Ameri-

cans would have chosen, and even yet would choose. America could have tucked her head into a covered harbor and waited for the rest of the world to crumble about her. To do such a thing would not be American.

The Neutrality Law, passed even before the wars started, was for the purpose of keeping America out of the war. We quit the seas that were blockaded on paper and this was the only great nation not losing a ship till the last few months. Then America decided to give all aid to countries fighting for democratic freedom. When what we gave or loaned was being sunk, we began to "patrol" the danger ways, and never shot a shot till Germany shot first. Now the first shot has been fired and American boys have been lost. Hitler must answer for the crime against us as well as for all dastardly acts against all humanity. Only Japan, Italy and Germany have started wars without a declaration. No declaration has been made against us except in words and acts. And let this be said once again . . . this nation must pay the penalty for its "isolationism" that inflicted us in the Congress when we pulled away from a beautiful and effective plan set us by the lamented Woodrow Wilson. We owe a debt to the world and it seems we must pay it. The only way that could have kept us out of these 1939-40-41-2-3-4-5 wars was to have quit being a free nation.

The Herald anywhere, 1 yr. \$1.00

Governor Coke Stephenson presided over the House as speaker for two terms and over the Senate as Lieutenant Governor for a term and a half, more than 1,000 sessions in all, and not a single morning did a session start as much as a minute late. Which tells more than a whole book would as to the calm, systematic and steady nature of Coke Stephenson.

AN ORDINANCE

AN ORDINANCE fixing rentals to be paid by Electric Utilities for the privilege of using, with their poles, wires, cables, conduits, structures, towers, crossarms, appurtenances and fixtures, the streets, alleys and public ways within the corporate limits of the City of Hamlin, Texas, providing that such Utility shall make annual reports providing penalties for the violation thereof, repealing all laws in conflict herewith, and declaring an emergency.

BE IT ORDAINED BY THE CITY OF HAMLIN, TEXAS.

Section 1. That all persons and corporations using and maintaining any electric light and power poles, structures, wires, conduits, towers, cables, crossarms, appurtenances and fixtures in any of the streets, alleys, parks and other public places within the corporate limits of the City of Hamlin, Texas, shall within thirty days after the 31st day of December of each year, file with the City Secretary a report, sworn to by the Auditor or Manager of such person or corporation, showing the gross receipts derived from the sale by such electric utility of electric currents sold for light, heat, power or other purposes, from consumers of such current located and using such current within the corporate limits of the City of Hamlin, Texas, for the preceding calendar year or fractional part thereof, exclusive of sales to Federal, State and Municipal consumers, and exclusive of sales to industrial and other consumers, and exclusive of other consumers excluded from Federal taxation under provisions of the regulations of the Treasury Department of the United States.

Section 2. That upon or before the 31st day of January of each year hereafter every person or corporation using the streets, alleys, highways, parks or other public places within the corporate limits of the City of Hamlin with poles, structures, towers, conduits, wires, cables, crossarms, fixtures and appurtenances shall pay to the City a rental equal to 2 per cent (2%) of the gross receipts received by such person or corporation from its sale of electric current for light, heat, power and other purposes derived from consumers of such current located

within and used within the corporate limits of the City of Hamlin for the preceding calendar year, excluding from such gross receipts all amounts paid to such person or corporation by the City or other governmental agencies and exclusive of sales to industrial and other consumers exempt from Federal taxation under provisions of the regulations of the Treasury Department of the United States, (Article 40, Regulations 42 as amended by T. D. 4393, September 20, 1933; T. D. 4570, July 24, 1935; and T. D. 4751, July 21, 1937), which sum shall be paid to the Tax Collector of the City of Hamlin, Texas, who shall thereupon deliver to the person or corporation paying the same a receipt for the amount so paid as a rental. If the first payment required to be made hereunder shall be for a period of less than one year preceding December 31st, then the time actually elapsing from the effective date hereof to December 31st shall be pro-rated for the actual time on the basis herein provided.

Section 3. Any special taxes, rentals, contributions or charges accruing before the effective date of this ordinance under the terms of any pre-existing ordinance, contract or franchise against any such person or corporation when paid to the said City, shall be credited on the amount owed by such person or corporation as a charge or rental imposed for the use of the streets, alleys, and other public places and ways within said City, and the Tax Collector of said City is hereby authorized to give credit to such persons or corporations when it or they pay the street rental charges in the manner described herein for all sums paid as special taxes, rentals, contributions, charges or otherwise under the terms of any pre-existing ordinance, contract or franchise.

Section 4. That any person or corporation and the local manager or agent of any such corporation willfully failing and refusing after thirty days (30) written notice from the City Secretary to make the report required above herein and to pay the amount of the rentals herein fixed shall, upon conviction in the Corporation Court of the said City (be fined in a sum not to exceed \$50.00, and each day's failure or refusal shall be deemed a separate offense.

Section 5. All ordinances and parts of ordinances in conflict herewith are hereby repealed.

Section 6. The fact that the Legislature of the State of Texas has, by proper enactment, permitted incorporated cities and towns to levy a tax against all persons and corporations occupying the public streets, alleys, public ways and places, as a rental or charge for the use and occupancy of said streets, alleys, public ways and places and the fact that the general fund of said City is in need of immediate replenishment, creates an emergency and the rule requiring the reading of all ordinances three several days is hereby suspended and this ordinance shall take effect immediately upon its passage and approval.

Passed and Approved This the 21st day of October, 1941.

I GIVE YOU TEXAS

(By BOYCE HOUSE)

Teach me that sixty minutes make one hour, sixteen ounces one pound, and one hundred cents one dollar. Help me to live so that I can lie down at night with a clear conscience, without a gun under my pillow, and unhaunted by the faces of those to whom I have brought pain.

Grant that I may earn my meal ticket on the square, and that, in earning it, I may not stick the gaff in where it does not belong.

Deafen me to the jingle of tainted money and the rustle of unholy skirts. Blind me to the faults of the other fellow, but reveal to me my own.

Guide me so that each night when I look across the dinner table at my wife, who has been a blessing to me, I shall have nothing to conceal. Keep me young enough to laugh with my children.

And when come the smell of flowers, and the tread of soft steps, and the crunching of wheels out in front, make the ceremony short and the epitaph simply—Here lies a Man!
(Author Unknown)

During World War I while the captured German fleet lay in Scapa Flow, an English quartermaster was posted on each vessel. To one of these, leaning over a rail, came a German sailor, who said, "I think nothing of your ships." When there was no reply, he continued, "And I think nothing of your officers," and then in disgust the prisoner spat over the rail. The Englishman turned and said, "Now, look here! I don't care what you think about our ships or our sailors or our officers. But don't you go spitting into our sea!"

George E. B. Peddy, Houston lawyer, once made a speech about a noted (or notorious) politician, of whom Peddy said, "He is so accustomed to rottenness that he could thrust his proboscis into the snowy chalice of a lily and smell corruption there."

Let's Elect A Queen

The time has come again for the election of the High School Queen. Following are two editorials, each one written by a member of the senior and junior class, respectively. This is how they feel about the election of a Queen. It is the hope of the Piper Staff that every student in High school bears this same attitude, and from the comments that we have picked up in the hall, we believe this article reflects the attitude of the school as a whole.

Here is what a senior says:
 "Each of the four classes of Hamlin High is represented by a queen, and one of these queens is destined to become High School Queen. Each member of each class has a desire for his or her queen to win; that is only natural. It is also natural for every student in Hamlin High to do everything he can to get his queen elected. The senior class is no exception, but there is one thing that we urge all students to remember. Each queen has equal rights in this race, and it would be nothing but right for each of us to show her the courtesy she deserves by letting her run a fair campaign. "There will be posters, signs, and all kinds of advertisements. A natural tendency for students to tear down opponent's signs follows. We seniors don't know how you feel about it, but that wouldn't look quite fair to us. If we want a fair campaign, we should give the other fellow the privilege of having one. That's what our class wants to do. Therefore, in order to promote a fair race for each queen, we are considering each queen's rights."

"The seniors want the queen, but policy."

they also want to be able to continue saying that in Hamlin High school is found the best sportsmanship anywhere in Texas. We pledge our wholehearted support to such a policy.

This comes from the junior class:
 "The juniors are working to break a precedent and crown the junior representative queen of High school. However, the goodwill of the rest of the students is worth more than the race."

"This is only friendly rivalry, which brings the classes closer; and if we do not win, we will just try even more next year. We are working as hard as possible, and are trying to win. Which ever candidate is victorious, we know, will be a lovely gracious girl, and the junior class will be proud of the Hamlin High School Queen."

"The juniors are working to make this the most beautiful coronation in the history of Hamlin High school. We hope it will be one of the long remembered events of this school year."

"We want to say again that good sports are better than queens, and may the best class crown their nominee."

Students Urged to Read New Books in Library

The library has bought about 30 new fiction books. These books were selected well and the authors are popular. Reading these books will be good entertainment to anyone.

In each edition of this paper for the next few weeks two or three of these books will be reviewed in order to let you know about what they are written. This week the two of Lloyd C. Douglas' books, "Green Light" and "Disrupted Passage" are discussed.

"Green Light" is a powerful nov-

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

el. It is a long, rich, inspiring story of present day America. In man's progress through life a day comes that the light turns green and the road ahead is clear. This is the inspiring theme of this book.

Some of the vital characters in this story are: Dr. Newell Paige, a young surgeon, who has ruined a brilliant career to shoulder another's blame; Phyllis Dexter, who thought the man that she loved had been responsible for her mother's death; Dean Harcourt, who believed that love was a gift and hate a disease—these and other characters who play their part in the dramatic sweep of "Green Light" to its happy ending.

"Disrupted Passage" is built upon the theme that we should learn great lessons from those who brace themselves against us and from those who disrupt the passage with us.

John Wesley Beaven's disrupted passage began when he and his professor in medical school, Dr. Milton Forrester, called Tubby, had a clash. For years John Beaven bore his dislike of the surgeon. John Beaven learned great lessons from his own disrupted passage. Some of these lessons were patience, fortitude, humility and devotion to his profession.

Lloyd C. Douglas' novels have

gained popularity by their entertainment, the exciting stories and the lesson that each tells. Each student is urged to enjoy these two books which have been added to our library.

Home Makers News

The Future Home Makers of Texas met on Oct. 23. Miss Smyers received a letter from the president of Lubbock and also the president of this Area of the Home Makers of Texas.

This group made plans to elect the district secretary from the classes in Home Making department and a queen. Nominees for queen are as follows: Mary Nell Bell, Ruby Herr and Jo Anne McCrary.

The queen will probably be chosen at the next meeting.

Christian Badgett took charge of the program entitled "National Defense." Loveta Branscum, Darline Gardner, Earlene Johnson, Merle Jenkins, and Christine Badgett participated on the program.

Piper's Staff Notice!

The task of gathering school news is no small one. Due to the fact that our school news must be in to the Herald office by Tuesday noon,

all the reporters should turn in their stories Friday afternoon and NOT LATER than Monday morning at the first period.

The school paper is a great asset to our school, and it is made possible by the courtesy and graciousness of Mr. Pope. The Piper staff owes it to him to be prompt and they cannot effect this promptness without the aid of each reporter.

We shall appreciate your co-operation in this matter, in the future.

Junior Class Plans Jamboree

November 8th marks the big day for the High school students, for on that night the school building will be opened for the Junior Jamboree, which is succeeding the old Junior Carnival. The Jamboree will be made up of competitive games in which each class will have participants, concessions sponsored by each class, and it will be climaxed with the coronation of the High School Queen. It promises to be one of the biggest and best affairs that the junior class has ever sponsored.

Participants in the queen's race, which is now under way at the Hi school, are Jonell Newberry from the freshman class; Carlene Dur-

ham from the sophomore class; Billie Faye Rountree from the junior class and Betty Abbott from the senior class.

The activities of the Jamboree have already begun in the queen's race. They will be followed on Saturday, Nov. 8th, by the parade to be held down town sometime in the afternoon.

Official rules for the Jamboree as published by the junior class are as follows:

QUEEN'S RACE—The boxes for the queen's race will be put out in the main entrance Monday, Oct. 27 and each vote will count 1c.

The votes will be counted on Friday, Oct. 31, and the results announced. The race will close on Saturday, Nov. 8 at 5 o'clock. Mr. Morton and Mr. Bennett will be the official counters and the results will be announced at the coronation.

The junior class is to receive 40 per cent of the money in all queen's boxes.

No money out of the class treasury, nor borrowed money shall be put in the boxes.

No boxes may be put out in town, and no drives or soliciting may be started before Monday, Oct. 27.

PARADE—The junior class, in order to make the parade a better one, and in order to advertise the Junior Jamboree, will pay 10 per cent of the total cost of all class floats if an itemized statement is presented to the sec'y.-treas. of the junior class not later than November 10th.

No class shall have a value of more than \$50., not including the vehicle upon which it is placed.

The float must be made by the sponsors and the students! No parental or professional supervision is allowed.

No donations can be accepted on floats. All money spent on floats

must come from the class treasury.

Prizes on Class Floats—1st prize, \$5.00 in cash or 500 votes on the queen's race.

2nd prize—\$2.00 in cash or 200 votes on the queen's race.

3rd prize—100 votes on the queen's race.

Any club that wishes may enter a float and the prizes will be: \$2.00 in cash for first place and \$1.00 in cash for second place.

The juniors want the parade to be one of the best that has ever been presented in Hamlin, and will appreciate all the co-operation possible from all clubs, classes, and other organizations.

CONCESSIONS—Each class will have a concession stand and within that stand may sell anything that the class wishes. No selling in the halls, rooms, or auditorium. Each class must sell from its respective place of business.

GAMES—Each class shall have a representative in each game. Each game is to have a point value. The class winning the most points at the end of the evening wins first place.

Prizes are as follows: 1st, 20 per cent of the gate for the evening. 2nd, 10 per cent of the gate. 3rd, 10 per cent of the gate, and 4th, 10 per cent of the gate.

A list of the games and the point value of each will be given out to

These advertisements advising our customers on the use of gas service were selected among the best examples of public utility advertising during the past year.

Children live in a different world

...and the climate is 5 to 10 degrees colder!

DON'T GIVE A COLD AN EVEN BREAK!

Fight the dangerous common cold this winter with these simple rules: (1) Don't "huddle" but provide comfortable temperatures in every room so that quick body-chilling changes will be avoided at all times. (2) Introduce sufficient oxygen-laden air into the home through adequate ventilation. (3) Keep connecting doors open so that a natural circulation of warm air prevails from one room to another. (4) If you should "catch cold" consult your family doctor before it has an opportunity to undermine your health.

THE FLOOR is the most popular winter playground. Have you ever asked yourself, "How is the climate down there?" So far as healthful comfort is concerned, it is a different world at floor-level temperature than it is in the comfort zone in which grown-ups move about in the household.

In guarding your family's health against winter illness, give serious thought to proper heating. Give your floor the "Health Test." Note the temperature at floor level and compare it to the temperature at five-foot heights. You'll find it to be 5 to 10 degrees COLDER at floor levels, depending upon the manner in which you heat your home.

Heat your entire home and live all over it this winter. Provide adequate heat in every room and at all times avoid danger of uneven, unhealthful temperatures.

Lone Star Gas Co.
 Supplying Natural Gas to Your Local Distributing Company

HEAT YOUR ENTIRE HOME FOR YOUR HEALTH'S SAKE

LONE STAR GAS SYSTEM

(a message especially for mothers)

Yes Sir,
 he's "tops!"

... and his welfare is an important responsibility.

THIS is not an ordinary advertisement.

It offers neither goods nor merchandise for sale.

Its purpose is to remind you of the added obligation of parents during the winter season. At the same time we are ever mindful of our own responsibility in keeping your gas service dependable so that you may have the protection of adequate heat to safeguard your family's health.

You see, we too, have children.

We know of the anxious hours in every mother's life when illness threatens those she loves. We have watched with alarm a child's mounting fever of serious illness that started as a simple, common cold. With sleepless, fear-filled eyes we've watched through the night into the sunrise of a new day—as across our worried mind flashed that grim published warning—one death every four minutes from pneumonia! It was then that "prevention is the best remedy" impressed us with its full significance. It was then we recognized the vital importance of guarding against the simple, common cold.

Lone Star Gas Co.

Supplying Natural Gas to Your Local Distributing Company

AT YOUR ENTIRE HOME FOR YOUR HEALTH'S SAKE

ABOUT A YEAR AGO when the above advertisements were published we did not know they would be judged among the best public utility advertisements of the year. However, we knew, beyond question, that the message they carried was of vital importance to our customers in safeguarding their family's health during the winter. With another winter approaching we urge you to review these two advertisements in the interest of your family's welfare. Apply the simple, logical formula of "Heating your entire home for your health's sake" as a protection against the dangers of winter illness. Play safe . . . **DON'T GIVE A COMMON COLD AN EVEN BREAK!**

Girl Scouts Entertain With Hallowe'en Party

Group 1 of the Girl Scouts entertained Wednesday evening, October 22, in the home of Miss Bobbie Wilson with a Hallowe'en party.

Diversions for the evening were a scavenger hunt, the Witches Den where fortunes were told, and various other Hallowe'en games.

Following the games an attractive sandwich plate was served.

The next Scout meeting will be held Wednesday night in the home of Mrs. Z. T. Wilson, and any High school girl who is not a scout is invited to join.

Entertains With Hallowe'en Party

Jerry Frank Waggoner, assisted by his mother, Mrs. Frank Waggoner, entertained a group of friends in his home Saturday evening, with a Hallowe'en costume party.

In the games and contests prizes were given to Jane Hayes, Jessie Miers, Anna Margaret McBride, Duck Ellis, Brad Roland and James Sedberry.

At the refreshment hour angel food cake and ice cream were served by Mrs. Waggoner and Miss Mignon Waggoner.

Those present were Deane Carlson, Jessie Miers, Jane Hayes, Lula Mae Hampton, Anna Margaret McBride, Elizabeth Butcher, Dorothy Gene Huling, Billie Glenn Chambers, Dora Joyce Culbertson, Jack Harlen, Don Coles, Don Magee, Mart D. Farrow, Bob Bledsoe, Duck Ellis, Brad Roland, James Sedberry, and Dicky Elam.

Twilight Wedding

Saturday evening, October 25, at 6:15, at the home of her parents, Mr. and Mrs. Ed Bailey on Lake Drive, Miss Mary Lou Bailey was married to Mr. Leslie Cole.

Rev. J. E. Harrell of the Methodist church read the double ring ceremony. The bride wore a tailored teal blue dress and shoulder corsage of pink carnations.

Following congratulations and good wishes the guests were invited into the dining room where the table was centered with a lovely white three tiered wedding cake encircled by pink carnations and fern and topped by a miniature bride and groom under a small wedding bell. The bride, in keeping with tradition, cut the first slice of cake. Soon afterwards the couple left for a short trip.

The living room and dining room were decorated with vases of white chrysanthemums and lighted by tall white candles.

Miss Bailey has lived in Hamlin most of her life. She graduated at Hamlin High school and then attended N. T. S. T. C. at Denton for three years. This fall she had been attending Draughton's Business college in Abilene.

Mr. Cole is the son of Mr. and Mrs. John Cole of Snyder and at present is employed here by the Santa Fe.

Upon their return, Mr. and Mrs. Cole will be at home in the Hill apartments.

Those present at the wedding were only members of the families of each and several close friends as follows: The parents, Mr. and Mrs. Bailey and Mr. and Mrs. Cole of Snyder and daughter; Misses Frances and Dorothy Jane Bailey, James Bailey, wife and little daughter, Mr. and Mrs. J. E. Moody, Mr. C. E. Ball, Miss Mary Emily Eakin, and Rev. Harrell and wife.

Mrs. J. C. Jenkins

Hostess to Club

Mrs. J. C. Jenkins was hostess Wednesday afternoon, Oct. 22nd, when guests and members of the Optimiss club were entertained.

Fall flowers were placed at points of interest throughout the rooms where games of 42 were enjoyed. Mrs. E. J. Whaley won high score for the guests. Mrs. A. I. Tipton and Mrs. H. O. McCray tied for members.

Delicious refreshments were served to Meses. L. P. Maberry, Pat Marlowe, W. H. Dean, A. I. Tipton, F. E. Barnes, H. O. McCray, O. G. Harvey, Gerry Richardson, G. P. Odum, Erwin Smith, E. J. Whaley, and the hostess.

Treasur Hunt Given For Baptist Y. W. A.

Tuesday evening a Treasure Hunt was given for the Young Women's Association of the First Baptist church.

Climaxing the hunt which ended in the home of Mrs. H. O. Casale, sandwiches, cookies and hot chocolate were served.

Those present were Mary Dell Park, Clara Louise Shelburne, Craigolene Elmore, Genevieve Barnes, Helen Barnes, Mary Lee White, Helen White, Marie Huling, Virginia Hampton, Bernice Shelton, Mary Elizabeth Tindal, Mrs. Arlie Casale and Mrs. Duffield Smith, of Dallas.

Mrs. Parker Honored With Lovely Party

A farewell party, honoring Mrs. Ruby Parker, who is moving to Slaton, Texas, was given at the home of Mrs. Glenn Bond, by the Plasterco Missionary Society, Monday evening, October 27th.

Games were played after which a dainty plate lunch with hot chocolate, was served. Mrs. Parker's

plate held a gift, which was given as our appreciation and love to our neighbor, who has always been ready and willing to serve her fellowman.

Mrs. M. Tolar of San Angelo was an out of town guest.

The following were present:

Mmes. H. C. Carr, J. W. Riddle, G. M. Bond, Floyd Wallace, L. E. Hines, John Doby, H. M. Hawkins, M. Tolar, Ruby Parker, Roy Ray and O. R. Criswell. —Reporter

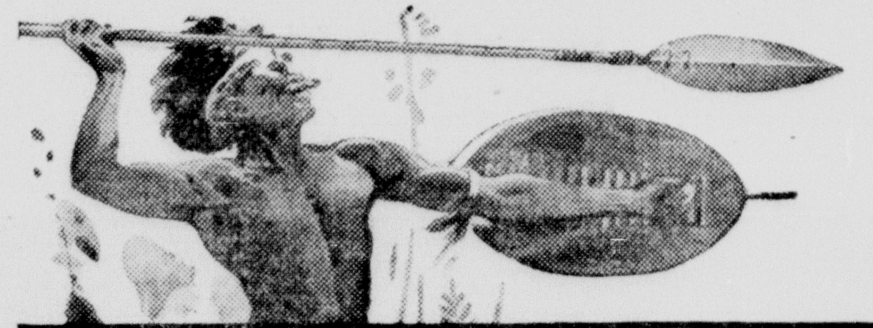

NOT MUCH CHANCE

for you to go clocking different brands of motor oil to prove which one flows fastest in Eskimo season. Yet the quicker the lubrication at every cold start, the less "dry rub" on delicate surfaces in your engine. Then why not change now to Conoco Nth oil for Winter and get an OIL-PLATED engine? OIL-PLATING is high up in the cylinders to fight fierce grind, much sooner than any plain oil-flow alone could even start wiggling.

Conoco Nth oil, you see—all in addition to speedy flow—fastens OIL-PLATING to inner engine surfaces, as if by "magnetic attraction." This close-bonded OIL-PLATING is up to its topmost point before you even touch the starter—and that's "faster than fast," to aid you toward anti-friction starting.

Even up in Iceland, of course, any engine's normal firing is hotter than the Land of the Hottentots. Yet you don't want to "burn up the oil." And Conoco Nth proved it could last for more than twice the mileage averaged by the five other big-name oils in the impartial Death Valley Death-Test. When all five others were used up—engines ruined as each strict 5-quart fill gave out—the Conoco Nth oil that competed under identical conditions was still up at 2.7 quarts! Certified!

A known economy record... plus a known aid to safe prompt starting... when you change to Conoco Nth for Winter OIL-PLATING, at Your Mileage Merchant's Conoco station. Today. Continental Oil Company

GAVE TWICE THE ENGINE LIFE!

This oil that OIL-PLATES gave its engine more than twice the life averaged by the engines using the other oils in the Death-Test.

In these times use your car prudently. And use oil that's great for engine life—changing regularly as recommended.

Good starting—good lubrication against all needless wear—helps conserve gasoline, too.

POT SHOTS FROM M'CAULLEY

BY GEO. DARDEN

McCauley folks went every direction to see foot ball games last Friday night. Some went to Sweetwater and saw the Mustangs run over the Abilene Eagles. Some went to Hamlin to see the Pied Pipers swamp the Putnam team, and others went to Roby to see the Lions take Baird.

Once again McCauley has another good oil well. It was brought in on the farm of Mrs. A. M. Eivens and already preparations are under way to start drilling an off-set.

Again the down pour of rain has halted cotton picking. If we had the pine trees, we would think we were in East Texas this year.

A big fat cook who deals out hamburgers in a Hamlin cafe must have been right when he informed us that Sweetwater would take Abilene in a big way, but we may eat some hamburgers at his expense yet.

The race for McCauley High school queen is getting as hot as a race for the United States Senate and it only costs a penny a vote for your favorite queen, and most of the grownups are getting a big kick out of watching the kids campaign.

The Gamma Tan chapter of Delta Kappa Gamma met with Mrs. H. P. Powers Monday afternoon. The year book was outlined. Those present were: Miss Estelle Patterson, Mrs. Flora Miller, Miss Josie Baird, and Mrs. Dave Foreman, all of Rotan; Mrs. Mae Hennington and Mrs. L. E. Rector of McCauley.

Mrs. H. P. Powers was elected director-general of the Fisher County Interscholastic league organization at the Fisher county teachers meeting at Roby Sat., Oct. 18th.

T. P. Johnson's letter to the Herald last week was rather heart breaking, as we used to play ball with T. P. and a good friend he is. We have decided to do something about the girls who give the soldiers a hopping, so listen, T. P., before you read this we will have likely made a trip east of town.

Miss Hipp, the home demonstration agent, gave Miss Mamie Carol Smith a farewell party at Roby last Saturday. Those attending from McCauley were: Misses Bill Milsap, Levene and LeVena Sue Maberry, Mrs. Bill Anders, Miss Faye Lee and Miss Bess Darden. The Maberry sisters sang two numbers and Bess Darden sang two popular numbers. Refreshments were served to a host of guests.

The McCauley High school carnival will take place Friday night at the High school. The crowning of the queen will be at 10 P. M. Those making the race for queen are Emily Sue Kidd for the seniors; Bess Darden for the juniors; Ora Frances Steele for the sophomores and La Vena Sue Maberry for the freshmen.

The foot ball game between Hobbs and McCauley was rained out Friday, but not before McCauley had made a touchdown. The game will be played over in the near future.

Mr. and Mrs. Ben Maberry have returned from a trip to Houston, Galveston and other points on the Gulf coast. On their return trip

they visited Mr. and Mrs. Vernon Harris near Bonham, Texas.

Mrs. J. N. Wishert and Miss Bill Milsap were shopping in Abilene one day last week.

George and Bobbie George Maberry, George Darden and Johnnie Max Jones saw the foot ball game in Sweetwater last week end.

Mr. and Mrs. L. B. Miers and children visited relatives in Winters and Ballinger last week end.

Mr. and Mrs. A. L. Gregg were visiting friends in McCauley one day last week. Mr. and Mrs. Gregg are residents of the Neinda community.

C. H. Humphrey, a negro about twenty years of age was found on the rail road track between the depot and the overpass Monday at 8:30 A. M. by the section crew who works out of Sylvester. A train some time Sunday night passed over the body. Either the negro fell from a moving train or was hit while walking the track or else foul play was the cause of death. Justice of the Peace Geo. Darden held the inquest, and verdict was withheld until further investigation. The negro had been picking cotton for Mr. B. F. Kemp and had been to McCauley and was seen Saturday and Sunday. Undertaker O. D. Weatherby of Rotan came after the body which was badly mangled.

Mrs. Frank Moore and little son of Crosbyton visited Mrs. Moore's parents, Rev. and Mrs. C. E. Dick, over the week end.

Mr. and Mrs. S. E. Miers had a gang of youngsters visit them over the week end. They were Peggy Jane Humphries, Dixie Maberry, Margaret Darden and Patsie Miers.

We need a few more Ernest Thompsons as Mayors of West Texas towns and villages. During his administration as Mayor of Amarillo, gas, lights, and telephone service was reduced to such an extent that even the poorest folks could afford to pay for such service. It's a funny thing; in some cases that we have known of, where a fellow can lock up his house and be gone for a week or two and his bills are more for that month, than they would have been if he had stayed at home and used the service. One lady told us that her gas bill was more by nearly three times last month than the month before and we happen to know that this lady works in a store all day with her husband and there is no one at home to cook, and too, she canned the month before but still her bill was less. We are collecting facts and data from neighbors and some of these days we expect to publish some startling facts. If the meters are faulty, then said meters should be replaced. We do not expect to publish anything that can't be proved, and we have plenty of folks behind us that want facts published so don't be surprised if we blow the lid off. Most every body makes honest mistakes and in most cases mistakes will be corrected if reported to the right persons.

It looks as if it takes dictators to fight dictators. It takes too long to get things done when we have

to wait on Congress to argue over vital defense measures and too, the American people have enough confidence in F. D. R. to turn everything over to him until this national emergency has passed and we have enough faith in our president to know that he will get the job done. Our merchant ships should be armed. Ship after ship is going down and still we get no revenge. Congress must do something or F. D. R. should be given the necessary power.

A DARDEN-O-GRAM.

THE M'CAULLEY METHODIST CHURCH

Sunday school, 10:00 A. M.
Sunday school, 10:00 A. M. LeRoy Prather, general Supt.
Come and worship with us. We have a class for you in our church school.

The pastor preaches at Neinda Sunday morning and evening.
We invite you to worship with us in these services.

The W. S. C. S. of McCauley meets Monday afternoon at 3:00 o'clock to study together the 7th chapter of the book, "The Christian Imperative," a very interesting, helpful book.

The ladies are having a food sale down town McCauley Saturday. Come buy a pie or cake.

Wednesday night prayer service at 7:00 P. M.

If you are too busy to go to church, you are too busy.

SINCLAIR SCHOOL

News of The Week

The Sinclair Standardized school had a Hallowe'en progressive 42 party Friday night in the school building for the community.

The class rooms were decorated beautifully with black cats on fences, witches, bats, pumpkins, and posters for Hallowe'en.

Each person present was presented a cellophane bag containing confetti, horns, whistles, poppers, and different types of noise makers for Hallowe'en.

Prizes of Hallowe'en glass pumpkins containing sand with flowers were given to Mr. W. W. Thompson, and Miss Jimmie Sue Rainwater for winning high score in the 42 games.

Everyone present reported a lively good time.

The Sinclair Standardized school

teachers, Miss Viola Stuart and Mrs. Wortham Crow announced the following pupils were on the honor roll this six weeks: Jimmie Sue Rainwater, Nola Joe Westmoreland, and Dorothy Stephens in the seventh grade.

Fred Garvin and Loyce Stephens in the 5th grade.

Thomas Garvin in the 3rd grade, Jo Vic White, Dean Donaghey and Keleta Dell Grice in the 1st year.

The school is still progressing very nicely.

THAT "HATE TO WORK" FEELING

Does your work have to wait because you "don't feel like doing anything"? This laziness may be due to delayed bowel action. Give those lazy bowels a gentle nudge with ADLERIK's laxatives and 5 carminatives. Try ADLERIK today, your druggist has it.

John Ed Killen, of Rotan, spent the week end with his aunt, Albert Haught in the Boyd community. John Ed returned at two weeks ago from Dallas where for several years he has taken treatment for infantile paralysis, in Shriners Hospital. His condition is improving and he is now able to walk with the support of braces.

YESTERDAY

TODAY

Dedicated to Service, since 1869

Yesterday—As early as 1869, Santa Fe was a traffic organization building and progressing to link the many communities we now serve.

Today—Santa Fe is foremost in the transportation field and provides this community with swift, safe, dependable freight and passenger service.

Santa Fe is a part of this community—

As a taxpayer and wage payer, Santa Fe is as much a part of your community as your grocer, your merchant, and your banker. Let's work together for the continued progress of our community. SHIP AND TRAVEL SANTA FE!
